

# Fixed Height Toilet Seat Raiser

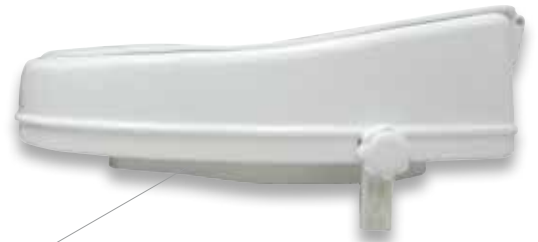

Front and rear access

Lid included

50, 100 or 150 mm high

Tapered flange

Ideal for travel or temporary use, this secure raised toilet seat is easy to attach, remove and clean. Includes a flip up lid for improved appearance and increased hygiene.

The ergonomically designed seat has a tapered flange that sits directly on the porcelain bowl and features both a front and rear recess for increased hygiene access. With a smooth and gently contoured surface, the moulded one-piece seat is stain and odour resistant.

Three height options available to suit individual user needs or toilet heights.
