

## Shower Chair Aluminium

Comfortable moulded plastic seat

Height adjustable

Designed for users to a maximum capacity of 110 kg, this sturdy shower chair features integrated armrests for easy transfers and a comfortable moulded plastic seat with drainage slots and contoured back support.

The lightweight aluminium frame offers added durability, enhanced lifespan and increased resistance to corrosion.

The height adjustable legs include rubber tips for added grip; and each leg adjusts independently to match uneven surface requirements. One leg includes additional incremental settings to allow for more exact positioning.

THERAPEUTIC DEVICES SHOULD ONLY BE USED IN ACCORDANCE WITH MANUFACTURERS INSTRUCTIONS AND UNDER THE CONSENT, SUPERVISION AND MANAGEMENT OF A SUITABLY QUALIFIED HEALTH PROFESSIONAL.
