

Etac Cloo toilet seat raiser

Cloo is a height adjustable toilet seat raiser which combines flexibility and simplicity. It has a discreet and soft design to blend in with the bathroom interior.

Adjustable angle and height

Cloo can be adjusted to three different heights. It can also be set with a slight anterior tilt to make sitting down or rising up even easier.

Functional arm supports

Cloo is available with or without arm supports. The arm supports are foldable but can be fixed in a folded down position if required. The arm supports are also detachable. Cloo can be used with only one arm support if space around the toilet is limited.

Easy height adjustment

To change the height, the spacers are easily added or removed without the use of any tools.

Facilitates standing up

Cloo can be set with a slight anterior tilt if reduced mobility restricts the ability to stand up.

Removable seat unit

Cloo seat unit has smooth surfaces for easy cleaning and can easily be removed without the use of tools.
