THE TITAN

FEATURES

- Standard comfortable Captain's Seats with deep-contoured cushions and backs for maximum comfort, superior user positioning and lateral support.
- Captain's Seats swivel and feature a fold-down backrest.
- Adjustable height headrest.
- Seats are height adjustable, from 20.5" to 23".
- Padded, flip-up armrests allow for easy transfers and user access.
- Armrests are height and width adjustable for positioning, support and adaptability to the needs of the user.
- Adjustable length controller mount can be affixed to either the left or the right armrest and can be fitted with an optional swing-away arm for additional flexibility.
- Standard footplate can be flipped up out of the user's way and adjusted in both height and angle.
- Chair can be fitted with optional elevating legrests allowing the user to travel comfortably with raised legs-a necessity for those with some medical conditions such as edema.
- Programmable controller can be personalized for individuals with special requirements.
- Flat-free, non-marking tires offer worry-free travel.
- Motor assemblies offer easy freewheel operation, allowing the chair to be pushed manually, which can be helpful for transport.
- Front anti-tip wheels for added safety.

COLORS

All Titan power chairs include interchangeable color panels in Blue and Red.

SEATING OPTIONS

- 18" (w) x 18" (d) Low Back Captain's Seat (K0821 model only)
- 18" (w) x 18" (d) Full-Size Captain's Seat
