## 1. GENERAL – SCOPE

**1.1.** The following General Terms and Conditions of Delivery and Trade (GTC) for MEYRA GmbH shall apply to all contracts concluded with customers of the company. They shall also apply to all future transactions with the customer, even in the absence of a separate new agreement.

**1.2.** The customer shall accept that the General Terms and Conditions of MEYRA GmbH are binding on the present contract and also on all future contracts. Terms and conditions of the customer or third party shall not apply. MEYRA GmbH shall not be subject to such terms and conditions, even if they are not expressly excluded in individual cases.

**1.3.** These General Terms and Conditions shall only apply if the customer is an entrepreneur (s. 14 of the German Civil CODE), a legal entity under public law or a separate fund under public law.

## 2. OFFER, CONCLUSION OF CONTRACT

**2.1.** Offers from MEYRA GmbH are subject to confirmation and non-binding unless expressly designated as binding.

**2.2.** MEYRA GmbH may accept orders or commissions from the customer within 14 days of receipt with an offer confirmation in text form.

**2.3.** The contract shall be concluded by means of the offer confirmation in text form; this shall also apply to any changes or additions to the orders.

**2.4.** We retain our rights of ownership and copyright with respect to all documents delivered to the customer in association with placing of the order. These documents may not be disclosed to third parties without our express written consent. Should we not accept the customer's offer within the period stipulated in section 2.2, these documents are to be returned to us without delay.

## 3. PRICES

**3.1.** Prices are calculated exclusively in euros. All prices are net prices. Value added tax at the respective statutory rate is to be paid in addition.

**3.2.** Unless otherwise stated to the contrary in writing, our prices are ex works, excluding packing and shipping. The costs of packing and shipping shall be invoiced separately.

**3.3.** Insofar as list prices are used as a basis, the price list valid at the time the order is placed shall apply. Price changes shall be permitted if there is a gap of more than four months between conclusion of the contract and the agreed delivery date. Should salaries or material costs increase in the period up to completion, we shall be entitled to increase the price appropriately in accordance with the cost increases. The customer shall be entitled to withdraw from the contract only if the price increase significantly exceeds the increase in the general cost of living between the time of the order and of delivery.

**3.4.** In follow-up orders, MEYRA GmbH shall not be held to the prices in a previous contract.

**3.5.** Should the order value fall below a limit of € 150.00 net goods value, a minimum-order surcharge of € 9.50 including freight component shall be levied.

## 4. SHIPMENT, PASSING OF RISK

**4.1.** The place of delivery shall be the registered premises of MEYRA GmbH insofar as nothing has been expressly agreed to the contrary.

**4.2.** If the goods are shipped to the customer at this location, the risk of accidental loss or accidental deterioration of the goods shall transfer to the customer as soon as the goods (including partial deliveries) have been handed over to the charge of the third party responsible for shipping. This shall apply irrespective of whether the goods are shipped from the place of performance or who bears the freight costs.

**4.3.** Should claims for transport damage or losses be asserted against MEYRA GmbH, the customer must note the damage on the shipping documents or, in the event of losses, create a record without delay which is to be shown to us within one week.

**4.4.** Insurance against transport damage shall only be taken out at the express request and expense of the customer.

**4.5.** In the event of delayed handover or shipping for which the customer is responsible, the risk shall pass to the customer upon notification of the shipment's readiness for shipping.

**4.6.** Should there be no special instructions from the customer, the choice of transport route and means of transport shall be made by MEYRA GmbH without warranty and liability for the cheapest and fastest shipping method.

## 5. DATE OF DELIVERY / SCOPE OF DELIVERY

**5.1.** Proposed delivery periods shall be understood to be probable delivery dates, unless a particular date has been expressly established in writing.

**5.2.** If the parties have agreed a delivery period, this shall commence from the date of the order confirmation. The delivery period shall be deemed to have been observed if, prior to its expiration, the goods have left the plant or their readiness for shipping has been communicated.

**5.3.** Compliance with agreed delivery and performance dates requires the timely receipt of all documentation to be provided by the customer as well as the timely provision of all necessary information and the fulfilment of all other obligations by the customer. Should these conditions not be fulfilled in good time, the periods shall be extended appropriately.

**5.4.** MEYRA GmbH shall not be liable for delays in delivery due to force majeure or other events which, at the time the contract was concluded, were unforeseeable (e.g. strike, operational breakdown, delayed internal supply, transport delay, unfavourable weather, etc.) for which it is not responsible. The delivery period shall be extended for the duration of the obstacle to performance for which MEYRA GmbH is not responsible, plus a reasonable recovery period.

**5.5.** Should the resulting delay exceed a period of six weeks, both parties shall have the right to withdraw from the contract with regard to the scope of performance.

**5.6.** MEYRA GmbH shall be entitled to make partial deliveries provided that the partial delivery can be used by the customer within the scope of the contractual provision, the delivery of the remaining goods is guaranteed and the customer does not incur any additional costs as a result.

## 6. PAYMENT

**6.1.** Invoice amounts shall be paid in full within 30 days of receipt of the invoice into one of the bank accounts stipulated by us. However, where the invoice is not for the delivery of spare parts or repairs, the customer shall be entitled to a discount of 2% if payment is made within eight days of receipt of the invoice.

**6.2.** Cheques and bills shall only be accepted with express agreement. Acceptance is conditional on performance. Invoice corrections via cheques and bills are subject to payment. Values are taken on the day on which we finally have the proceeds at our disposal.

**6.3.** Should the customer fail to make the payment on the due date, any outstanding amounts shall be subject to interest at 8% above the respective base rate per annum. We reserve the right to enforce higher damages due to a delay in payment.

**6.4.** Should the customer default on payment, then all other receivables arising from the same legal

relationship shall immediately become payable without the need for a separate communication.

**6.5.** The customer shall only be entitled to offset in the event that its counterclaims have been legally established or are undisputed. The customer shall only be entitled to exercise a right of retention insofar as its counterclaim is based on the same contractual relationship.

**6.6.** MEYRA GmbH shall be entitled to assign its claims from deliveries and services.

## 7. RETENTION OF TITLE

**7.1.** The goods supplied by MEYRA GmbH shall remain the property of MEYRA GmbH until full payment of all present and future claims against the customer.

**7.2.** The customer may sell the reserved goods in the ordinary course of business. It is not entitled to make other disposals, in particular chattel mortgages and pledges. The claims of the customer arising from the resale of the reserved goods (including other receivables such as insurance claims or tort claims for loss or damage) shall be assigned to MEYRA GmbH by way of security. MEYRA GmbH shall accept the assignment. The customer shall be entitled to collect the assigned claim as long as it fulfils its payment obligations. In the event that it defaults on payment, we shall be entitled to revoke the collection authorisation.

**7.3.** Should the reserved goods be processed by the customer, it is hereby agreed that the processing shall take place in the name of and at the cost of MEYRA GmbH as the manufacturer and that it shall immediately acquire ownership or – if the processing is carried out using or in connection with materials from several owners or the value of the processed item is greater than the value of the delivered goods – co-ownership (fractional ownership) of the newly created item in the ratio of the value of the delivered goods to the value of the newly created item. Should MEYRA GmbH lose its ownership through consolidation or commingling or if, in the case of processing, it is not the owner of the delivered goods, the customer shall transfer to MEYRA GmbH in advance an appropriate co-ownership share in the new item equivalent to the proportionate value of the delivered item. MEYRA GmbH shall hereby accept the offer. The delivery shall be replaced by a gratuitous deposit.

**7.4.** The customer shall be obliged to notify us immediately of access by third parties to the goods delivered under retention of title and to provide us with the information and hand over the documentation required to enforce our rights. At the same time, the customer is to inform the third party without being asked of MEYRA GmbH's ownership. Any costs incurred from this shall be borne by the customer.

**7.5.** MEYRA GmbH shall be obliged to release the securities due to it at the request of the customer insofar as they exceed the value of the secured claims by more than 20%. The selection of the securities to be released is incumbent upon MEYRA GmbH.

**7.6.** In the event of a bankruptcy petition relating to the customer, we shall now prohibit the resale or processing of our reserved goods and shall revoke our collection authorisation with respect to the claims assigned to us.

**7.7.** In the event of delayed payment by the customer, we shall be entitled to demand the immediate return of the reserved goods.

## 8. WARRANTY / LIABILITY

**8.1.** The customer must inspect the delivered goods immediately upon delivery. Insofar as it relates to obvious defects or defects that would have been found during a thorough inspection, the customer

must notify us in writing of any complaints within one week of receipt of delivery. After expiry of this period, any liability for such defects is excluded. In the event of concealed defects, warranty claims shall only be valid if we are notified in writing within one week of discovery.

**8.2.** In cases of defective delivery, we shall have the right to choose to repair the defective item or to replace the defective item with a new delivery. The customer is obliged to provide us the defective product delivered free for inspection and repair. Should the repair or replacement delivery be unsuccessful, should they not be undertaken with a reasonable period or should we refuse to undertake them, the customer may withdraw from the contract or reduce the purchase price. A deadline shall not be required in those cases where it is not required by law.

**8.3.** The warranty shall be void if the customer modifies the delivery item without our consent or it is changed by a third party and it therefore becomes impossible or unreasonably difficult to rectify the defect. However, in each case, the customer must bear the additional costs resulting from the rectification of the defect.

**8.4.** The above regulations shall not affect any warranty that we assume on the part of the first user of the rehabilitation equipment.

**8.5.** Excluded from the warranty is the function-related wear of all items, modules, batteries and spare parts supplied by us as well as the inappropriate or improper storage, use or handling of the products.

**8.6.** Further claims by the customer, in particular for damages instead of performance and for reparation of any direct or indirect damage – including incidental or consequential damages, irrespective of the legal grounds – shall be excluded. This shall not be the case if MEYRA GmbH has concealed a legal or material defect maliciously or the damage is due to intent or gross negligence on the part of MEYRA GmbH, its legal representatives or vicarious agents or to any negligent breach of essential contractual obligations. Essential contractual obligations are understood to be those where their fulfilment enables the proper execution of the contract and on compliance with which the contracting parties regularly rely or may rely. In the case of damage to property and assets due to negligence, the liability of MEYRA GmbH shall however be restricted to an amount foreseeable in a typical contract. Furthermore, personal injury or damage to health caused by a breach of duty on the part of MEYRA GmbH, its legal representatives or vicarious agents are not excluded.

**8.7.** Liability under the *Produkthaftungsgesetz* [German Product Liability Act] is unaffected.

## 9. STATUTE OF LIMITATIONS

Claims by the customer relating to defects shall have a limitation period of two years from handover / delivery of the goods to the customer. With respect to replacement items and repairs, the limitation period shall be one year from handover / delivery of the goods to the customer. Excluded from this are claims for damages due to endangerment of life, personal injury or health and / or claims arising out of damages caused by gross negligence or intent on the part of MEYRA GmbH or its vicarious agents.
